Central is LOVE and seeing this list of people, we see how y'all are living into the vows we make at baptism to nurture the faith of all, across age and stage.

If you're interested in getting involved for the 2024-25 program year, just let me know (you can even hit reply on this email)! We'll train for all positions the beginning of August.

MAKE A JOYFUL NOISE!

We are especially grateful, as well, for **Karen Brown, Thomas Chafin and Elizabeth Daly** who supported our children and youth in making a joyful noise through song all year long!

We will miss Elizabeth so much next year and loved every minute of having her leadership, enthusiasm and creativity as a part of our Sunday mornings. We look forward to more time with Karen and Thomas next year and want to say thank you to this dynamite team for everything!

Thank you for continuing to foster a strong love and curiosity about the role music plays in our faith formation.

THANK YOU TO COURTNEY ANNE!

Of course we also want to say thank you to **Courtney Anne Henry** for her time with us as the Children & Youth Fellow this year! It seems fitting to share this photo on her first day of school this year as she heads into commencement weekend at Columbia Theological Seminary.

Courtney Anne finishes her contract with us in June and is transitioning into a year-long chaplaincy residency program at Children's Healthcare of Atlanta. We want to honor the blessing of CA's time with us on Sunday and she'll preach on May 26th so join in for that special time as well.

Courtney Anne has served Central's entire congregation this year with her signature creativity, commitment to inclusivity, powerful presence in worship and love of the church's possibilities. It has been an honor to work with and learn from her.
